Terms & Conditions for Boostlingo's 2022 Season of Giving Language Access Grants

Grant Amount

Award sizes vary, but in no event will exceed 1,000 minutes to be used towards on-demand over-the-phone interpretation (OPI) and video-remote interpretation (VRI) sessions for spoken and signed (ASL) language.

Boostlingo's vision is to help organizations increase language access and improve global communication through innovative interpretation technology.

More importantly, Boostlingo wants to ensure that its language access solution will help non-profits and non-governmental organizations to overcome language access barriers by supporting communication needs between that organization and those LEP individuals in the community they serve.

Grant Eligibility Guidelines

To apply for Boostlingo support, organizations must meet the following general requirements:

US-based, Nonprofit or NGOs categorized as 501 (c)(3) by the Internal Revenue Service or international NGOs not engaged in political activity or categorized as as political organization.

Must have a demonstrated need for virtual interpretation services, as described by applicant's answer to essay question provided by Boostlingo as part of application.

Applicants cannot be current Boostlingo subscription customers.

Grant Application/Award

Boostlingo will accept and review grant requests between December 5th, 2022 and January 5th, 2023 on a rolling basis. Determination is made on a case-by-case basis, depending on factors like mission alignment and availability of funds. Grants are expected to be awarded not later than January 20th, 2023.

Disqualification of Grant Application

Boostlingo considers each application seriously. Boostlingo may not respond to your application if it does not meet our criteria for consideration.

Additional Terms

Additional terms and conditions will apply to grant awards.
